Dear Mr Pretzel

**TOWN OF KWINANA – REQUEST FOR PERMANENT CLOSURE OF MEDINA  
OFF-ROAD VEHICLE AREA – DECISION OF MINISTER**

The Control of Vehicles (Off-road Areas) Act Advisory Committee recently completed its investigation into the Town of Kwinana's request for permanent closure of the Medina Off-road Vehicle Permitted Area.

The Department of Local Government and Regional Development advises that the Hon. Ljiljanna Ravlich MLC, Minister for Local Government, has accepted the recommendation of the Committee to reject the proposal for permanent closure of the facility.

The current period of temporary closure will expire on 30 June 2008.

Thank you once again for your submission to the Committee during its consideration of this matter.

Yours sincerely
